

2024 Preseason Tournament

February 12th – 17th, 2024

Fort Family Regional Park – Bragan Baseball Complex

8000 Baymeadows Road East, Jacksonville, FL 32256

Overview:

Walk Off Charities annual preseason tournament is expanding to include softball this year. The **2024 Walk Off Charities High School Baseball & Softball Classic** will host 12 baseball teams and 12 softball teams. The event guarantees each team two (2) games and allows them to get ready for the start of their respective regular seasons.

On the baseball side, teams are split up into three (3) pools of four (4) teams each. Matchups are chosen at random for the first round within each pool. The first round of games takes place on Monday, Tuesday, and Wednesday nights. Losing teams from each pool matchup on Thursday or Friday night (depending on their pool). Winning teams from each pool matchup on Saturday with games at 1PM, 4PM, and 7PM.

The tournament features radio remotes from 1010XL, "Player of the Game" recognitions, and social media coverage. The games are played at the newly created turf baseball/softball complex at Fort Family Regional Park (donned the Bragan Baseball Complex). The tournament serves as a fundraiser for Walk Off Charities and helps fund a portion of the spring baseball league each year that serves over 600 kids on Jacksonville's north, west, and south side of town.

In 2024, the event will be played at the newly constructed Bragan Baseball Complex at Fort Family Regional Park. Three all turf baseball/softball fields were constructed by the City of Jacksonville which are now operated by Walk Off Charities.
